VEGAS TRAVEL CHECKLIST

Book smarter. Pack the useful stuff. Leave room for Vegas to happen.

01 / BEFORE YOU GO

Check what applies. Cross out what does not. This is your trip.

01 BOOK THE BASICS

- ☐ Confirm travel dates, flights and baggage allowances.
- ☐ Choose a hotel near the places you will actually spend time.
- ☐ Compare the full hotel total: room, taxes, resort fees and parking.
- ☐ Check cancellation terms, check-in time and incidental holds.
- ☐ Save confirmations and your hotel address offline.

02 PLAN THE FUN

- ☐ Pick a few must-dos with your travel crew.
- ☐ Book priority shows, dinners and activities.
- ☐ Check dress codes, age limits and reservation policies.
- ☐ Group plans by area. Leave open time between them.

03 SORT THE MONEY

- ☐ Set separate budgets for food, transport, fun and shopping.
- ☐ If gambling, set a loss limit you can comfortably afford.
- ☐ Keep gambling money separate from trip essentials.
- ☐ Allow for tips, extra fees and a backup fund.
- ☐ Check rewards accounts and offers before booking.

04 HANDLE THE DETAILS

- ☐ Check accepted travel ID and its expiration date.
- ☐ Plan airport transfers and how you will get around.
- ☐ Check the forecast and any major events during your stay.
- ☐ Arrange pet care, home needs and time off.

> **MAC'S TIP / LOCATION COUNTS**
>
> A cheaper room can stop feeling cheap after extra rides and long walks. Pick the hotel for your actual plans, not just the room rate.

Vegas is a terrible place to discover your new shoes hate you. Pack the comfortable pair. Your day-three self will appreciate the decision.
